AI sires of Heifers are listed in Sale Listing.

IN addition we will make available AI Matural Grand Sires on Sale Day.

5% discount for buyers purchasing 8 or more heifers

You should anticipate heifers calving 7 to 10 days ahead of their estimated date of Birth

They are due a mid summer deworming and a booster of MLV and Lepto after calving

If you would like information on participating in our AAC, LLC programs feel free to contact me.

I would like to express my appreciation to the Bennett Family and Knoll Crest Farm for their support of our Bred Heifer Program.

Also, to VCE Staff members Cynthia Gregg, Rachel Henley and Taylor Clarke for their input, support and hard work in making this program a Success!
